390.3 Professional Shredder

Updated 390.3 L6

EPL Listed*

With its completely precise cut and an extremely handy automatic reverse, the starter model of the professional series can handle large workloads, even in 15–20 person departments.

- In case of paper jam, auto start/stop with LED as well as auto reverse are standard.
- Auto stop when container is full or door is open.
- Practical storage space for paper stacks.
- Convenient pull-out system for removing the integrated, sturdy, reusable shred-bin bag.
- Powerful, specially adjusted motor for longer periods of use — with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust and provides for “whisper quiet” shredding.
- Mobile for shared use.
