

411.2 Professional Shredder

Updated 411.2 L6

EPL Listed*

Large volumes of data media are shredded without problems on all office floors. This professional series workhorse is suitable for a 20–25 person office.

- Keypad for constant operation and reverse.
- Hardened steel cutters can handle occasional standard paper clips or staples.
- Practical storage space with optional paper trays for paper stacks. (Paper trays available for purchase).
- Auto stop when container is full or door is open. Convenient pull-out system for removing the integrated, sturdy, reusable shred-bin bag.
- Powerful, specially adjusted motor for longer periods of use — with thermal protection for high performance.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life.
- Enclosed housing protects against the spread of paper dust and provides for “whisper quiet” shredding.
- Heavy-duty castors for effortless mobility.
- Crosscut shredders should be oiled to maintain top working condition.

Specifications

Cross Cut
