For More Info

Click Here --->

The 502CD shreds outdated CD-Roms, credit cards and 3.5" diskettes perfectly, quickly and safely. The CDs, cards or diskettes are fed into the inlet slot and shredded into little pieces in a matter of seconds.

# MODEL 502CD

## Features

- Easily shreds CDs, credit cards and floppy disks into little pieces
- Has a manual start/stop operation
- Reverse switch clears any potential jamming on the cutters
- The guard on the inlet slot can be opened as required
- 800-1200 pieces can be destroyed per hour
- Continuous duty motor-maintenance free
