SEM 1324S Strip-Cut Shredder

Technical Info

- The Model 1324S is a STRIP CUT Shredder ideal for a deskside and/or personal use application. The 1324S features SPS (Safety Protection System) which is an exclusively controlled safety flap located in the shredder feed opening to help prevent industrial accidents and/or overfeeding of the machine. Mounted on casters, it's compact size allows you to locate it just about anywhere. Features automatic start/stop, reverse and bag full indicator.
- Shreds up to 14 Sheets.
- Available in 220V and international voltages - special orders
- Model Number: SEM 6001324
