SEM 244/4 Deployment Shredder

SEM 244/4 Deployment Maximum Security / Cross-Cut Paper Shredder Bundle

If you need high volume high security shredding capability that can be shipped anywhere, the Model 244/4 DEP is just what you're looking for. This kit features a rugged shipping case with custom molded foam which houses the Model 244/4 High Security Cross Cut Shredder. The Shredder has a capacity of up to 10 sheets, auto stop/start, an automatic oiling system for maximum performance and long cutting head life. The cross-cut waste particles are 0.9 mm x 4.2 mm, which exceeds the strictest Department of Defense Standards for Maximum Security. This is the only Full-Size shredder available in a deployment case in the industry.

The SEM 244/4 replaced the SEM 244/3 High Security Deployment Shredder.

The SEM244/4 High Security Shredder meets NSA/CSS Specification 02-01 and is listed on the NSA Evaluated Products List (EPL). It is a level 6 high security shredder.

NSN: 7490-01-504-5605
