## **SEM 244/4 Maximum Security / Cross-Cut Paper Shredder Bundle**

The SEM Shredder Model 244/4 combines the latest electromechanical technology to destroy U.S. Government Classified records / data. There are several thousands of these machines in the market. Our Model 244/4 comes standard with an Automatic Oiler to prolong the life of the shredder and maintain efficiency! The SEM 244/4 is the newest version of the SEM 244 high security shredder series (replaced the SEM 244/3).

The SEM244/4 High Security Shredder meets NSA/CSS Specification 02-01 and is listed on the NSA Evaluated Products List (EPL). It is a level 6 high security shredder.
