### SEM 7050P Cross-Cut Shredder

#### Technical Info

- **IMPORTANT:** This machine is 3 phase and requires 220V electricity supply.
- The 7050P Heavy Duty CROSS CUT Shredder offers centralized destruction with a cross cut particle for added security. Capable of 500 sheets per feed, this unit is a high volume shredder that allows you to attack those large destruction jobs. With its large sorting table and conveyor feed opening this Central Shredding System is user friendly and easy to feed. The waste takeaway options are flexible; from a bag system, to conveyor takeaway all the way up to the cyclone air system. This unit can be fit to your application, taking the guess work out of your destruction jobs. Includes an auto oiling system.
- Shreds up to 500 Sheets/pass
- Available international voltages - special orders
- SEM 7050P Cross-Cut Paper Shredder
- Semshred 7050P
- Model Number: SEM 6007050P
